## Report of School Board

---

The School Board of Grantham respectfully submits the following report:

This has been a strenuous year for the School Board.

Circumstances which could not be foreseen and which were outside our control made the work difficult.

No one realizes more fully than the members of the Board themselves, that mistakes have, no doubt, been made. Permit us also to add that no one realizes more fully than the members of the Board, the amount of adverse criticism which has been meted out to them, and yet, realizing all this, in looking back over the year, we can not see how things could have been arranged very differently.

To the people of Grantham we give our hearty thanks for voting for adequate funds for school purposes, so that we were not handicapped for lack of money.

The spring term passed serenely with Mrs. Mary E. George in the North Grantham school and Miss Florence Truett in the Village school.

Just previous to the opening of the fall term the teacher engaged for the Village school declined taking the school. We then engaged Mrs. Lovering of Croydon, for the Village school while Mrs. George was appointed to North Grantham. Mrs. Lovering resigned before the end of the fall term when it was decided best to appoint Mrs. George to the Village school, with Miss Myrtle Howe of Grantham, in charge of the North Grantham school. Miss Howe became ill after teaching one week which necessitated another change. Two weeks were lost from

the fall term before we secured the services of Miss Isabel E. Adams of Goshen, who taught the remaining two weeks of the fall term and six weeks of the winter term after which Miss Howe returned to make up the two weeks lost from the fall term. In spite of the changes, we feel that the pupils have made some progress.

We also feel glad to report that the Village schoolroom has been remodeled so that work can be done more advantageously, and also that our rooms have both been equipped with new dictionaries, globes and maps.

Though the progress and attendance have not been what we hoped for, yet we are confident our schoolrooms are in better order for another year's work and here's hoping that another year may bring all things up to our desires and ambitions.
